

Tallgrass Business Resources

Date : 01/08/2019

Tallgrass Business Resources installed [Motif wall whiteboard panels](#) in an alcove at their Cedar

Rapids showroom. The showroom marketing team said “We love the versatility and the spice it adds!” This installation features a unique configuration of two large square panels in Arctic White and Seagull, and four small square panels in Saffron pattern designed for organizing announcements and displaying artwork. The accent panels display a colorful pattern for visual interest.
